

# Scripture Cards

“Scripture Cards” are a popular and effective tool in the ministry of the Congolese EFC. These cards are used in hospital and prison ministry, Sunday Schools, and HIV/AIDS education for young people. With very little available in the way of print or art, a beautiful “Scripture Card” is often hung up in a home as the only decoration on the walls. Your creative and careful work on this project will provide a cherished gift of beauty and Truth.
