orphan sponsorship

## \$25 a Month Gives Them Hope

In the Democratic Republic of Congo, almost **15% of children are orphans...** due to AIDS, malnutrition, malaria, poor health care, or war. Orphaned children in Congo seldom have the opportunity to attend school. Often, they must work hard to survive each day and miss out on being a child.

All of these orphans have physical needs, and desperately need to know that they are loved by their Father God and by us, His people.

GlobalFingerprints is a **sponsorship program providing immediate hope**. In partnership with the Evangelical Free Church of Congo and EFCA TouchGlobal, GlobalFingerprints helps Congolese families care for these orphans **in homes** instead of an orphanage.

## Give Hope to a Congolese Orphan!

A sponsorship of **\$25 a month** provides for one child:

- school tuition
- school supplies
- uniform/clothes/shoes
- contribution to community nutrition micro projects
- health care (all-inclusive medical care)
- spiritual care (50% of the children are un-churched. This is an outreach program of the EFC Congo!)

As a sponsor, you will also have the privilege of praying for and communicating with one of these precious children. You will receive an email message from them once a year, and have the opportunity to send them a message in return.

To learn more, please visit [www.globalfingerprints.org](http://www.globalfingerprints.org) and click on the FAQ link at the top of the page. Or, send an email to [globalfingerprints@efca.org](mailto:globalfingerprints@efca.org).
